

BIOGRAPHICAL SKETCH

## **Guy McAllister**

Vice President and Chief Information Officer (CIO)

Guy McAllister is Vice President and Chief Information Officer (CIO) for Tift Regional Health System (TRHS). He has been with TRHS since 1999.

TRHS is a leading health care provider serving 12 counties in South Central Georgia. Tift Regional Medical Center (TRMC), the flagship hospital for TRHS, is a 181-bed regional referral center offering signature services in surgery, oncology, cardiovascular care, women's health and more.

TRHS comprises of TRMC and the TRMC West Campus in Tifton, Cook Medical Center and Cook Senior Living Center in Adel and Tift Regional Physician Group with clinics located throughout the region. TRHS is also a founding partner of Stratus Healthcare and Care Alliance ACO.

Guy is responsible for the information system structure at TRHS as well as clinical and financial application strategies and implementation. He provides administrative oversight for Tift Regional's information technology department, data center, system application management, clinical informatics and telecommunications.

Guy holds a master's degree in religious education from Southwestern Baptist Theological Seminary and a bachelor's degree in psychology from Valdosta State University. He is actively involved with numerous professional associations.
