Medical Oncologist/Hematologist

Tifton, Georgia

- Board-certified or board-eligible medical oncologist/hematologist needed for a growing cancer program at Tift Regional Medical Center in Tifton, Georgia. Tifton is located in the south central region of Georgia, approximately 50 miles north of the Florida border.
- Tift Regional Medical Center (TRMC) is a progressive, 191-bed acute care facility with more than 120 physicians representing over 30 specialties.
- The TRMC Oncology Center is a freestanding facility that centralizes radiation and chemotherapy services. The Center has its own in-house lab and pharmacy, as well as a cancer resource library and community room for patients and families. The oncologists, nurses and techs at the Oncology Center have the latest technology at their disposal, including IMRT, PET/CT and more.
- Tifton is a charming community with a historical downtown, beautiful lakes, great public and private schools and excellent recreational activities. A perfect place to raise a family. Central to many of the Southeast's attractions, including the Atlantic Coast, Gulf Coast, Blue Ridge Mountains, Atlanta and Orlando.
- Competitive compensation and benefits. Various employment models available. Options include direct hospital employment or private practice with a net income guarantee.
- Attractive incentives, including student loan repayment and moving expense reimbursement.
- Favorable payer mix. No capitation in this service area of more than 250,000. Primary industries are agriculture, distribution and manufacturing.
