Pulmonary Medicine/Critical Care Specialist

Tifton, Georgia

- Board-certified or board-eligible pulmonary medicine/critical care specialist needed for Tift Regional Medical Center, located in Tifton, Georgia. Tifton is found in the south central region of Georgia, approximately 50 miles north of the Florida border.
- Tift Regional Medical Center (TRMC) is a progressive, 191-bed acute care facility with more than 120 physicians representing over 30 specialties.
- TRMC recently opened a new 20-bed Intensive Care Unit (ICU) with the latest critical care technology and monitoring equipment. TRMC also offers signature services in surgery, cardiovascular care, oncology, medical imaging, neurodiagnostics and much more.
- Competitive compensation and benefits. Various employment models available. Options include direct hospital employment or private practice with a net income guarantee.
- Attractive incentives, including student loan repayment and moving expense reimbursement.
- Tifton is a charming community with a historical downtown, beautiful lakes, great public and private schools and excellent recreational activities. A perfect place to raise a family. Central to many of the Southeast's attractions, including the Atlantic Coast, Gulf Coast, Blue Ridge Mountains, Atlanta and Orlando.
- Favorable payer mix. No capitation in this service area of more than 250,000. Primary industries are agriculture, distribution and manufacturing.
