Dermatologist
Tifton, Georgia

- Board-certified or board-eligible dermatologist providing laser and Mohs procedures needed for Tift Regional Medical Center, located in Tifton, Georgia. Tifton is found in the south central region of Georgia, approximately 50 miles north of the Florida border.

- Tift Regional Medical Center (TRMC) is a progressive, 191-bed acute care facility with more than 120 physicians representing over 30 specialties.

- Tifton is a charming community with a historical downtown, beautiful lakes, great public and private schools and excellent recreational activities. A perfect place to raise a family. Central to many of the Southeast’s attractions, including the Atlantic Coast, Gulf Coast, Blue Ridge Mountains, Atlanta and Orlando.

- Competitive compensation and benefits. Various employment models available. Options include direct hospital employment or private practice with a net income guarantee.

- Attractive incentives, including student loan repayment and moving expense reimbursement.

- Strong demand for dermatology services and favorable payer mix. No capitation in this service area of more than 250,000. Primary industries are agriculture, distribution and manufacturing.
